How to play

- 1 Blow the whistle evenly to make the "woo" sound.

"woooo"

- 2 Blow harder and open the mouth at the same time to make the "ruff" sound.

"Ruff!"

Push!

*If you blow too hard, it may not make any sound.

Open and close the mouth to change the sound from "woo" to "wah."

Wah wah wah...

Open and close the mouth while blowing the whistle.

- You can put a string through the hole near the mouthpiece.

- The head part is interchangeable with other Chihuahua Whistles and Otamatone heads.
